**Bring this flyer in to Mi Amigo's on our anniversary,  
June 27- 29, 2003 and we will donate 15% of your food bill to the  
*Walk for a Cure in Noelle's name.***

**O**ur Mi Amigo's family has recently been touched by Juvenile Diabetes. Noelle Candland, the seven year old daughter and granddaughter of Mi Amigo's owners was recently diagnosed with Juvenile Diabetes. Noelle says, "Me and my friends with diabetes hate it. When they find a cure for diabetes, me and Nikki, Heidi, Brig and Grif will be so happy. We will be glad for all the people who helped us get better."

Mi Amigo's Mexican Grill has chosen the Juvenile Diabetes Research Founda-

tion and Walk for a Cure for our charity.

Because of amazing research, Noelle has had great medical care from Dr. Ed Holland and from her pump nurse Jan Greer. Noelle started diabetes treatment last September with six shots a day. She now wears an insulin pump 24 hours a day to manage her blood sugar.

Thank you for your loyalty to Mi Amigo's over the past 26 years and thank you for your support in finding a cure for Noelle and her friends.

*Sincerely*

*Noel, Wendy, David, Brook and Noelle Candland*
